Customer Reviews

I like her story and book tell how skate is a wonderful sport .I will give this book for my daughter as one of christmas gift.This book will inspire her figure skating interest.

My 7 year old daughter LOVED reading "Always Dream."!She is an ice skater, like Kristi. It's inspiring and now one of her favorite books!!!

This was purchased for a 3rd grade biography report. This was easy for my 8 year old to read and understand.

bought for a gift--and it was a big success

Very fun "scrap book" from figure skating's greatest! Kristi shares her life from childhood to present. What I really like is how she talks of her Japanese heritage. Very recommended.

I presented Kristi's book to the nine-year-old daughter of a friend of mine, and the look on her face was one of pure joy. Enough said.
