## Synopsis

The fantastic prequel to *The Good Daughter*, the stunning new stand-alone from the number-one best-selling author of the *Will Trent* and *Grant County* series. Protecting someone always comes at a cost. At the age of 13, Charlie Quinn's childhood came to an abrupt and devastating end. Two men, with a grudge against her lawyer father, broke into Charlie's home - and after that shocking night, her world was never the same. Now a lawyer herself, Charlie has made it her mission to defend those with no one else to turn to. So when Flora Faulkner, a motherless teen, begs for help, Charlie is reminded of her own past and is powerless to say no. But honor student Flora is in far deeper trouble than Charlie could ever have anticipated. Soon she must ask herself: How far should she go to protect her client? And can she truly believe everything she is being told?

## Customer Reviews

The prequel to *The Good Daughter* gives us a glimpse at Charlie Quinn early in her career and her marriage. Doesn't give a large amount of info on what happened in her past (that is saved for *The Good Daughter*) but shows us how tenacious she is in fighting for the underdog.. Shocking ending but you're hooked wanting more..

Wow. Intense. I love all of Slaughter's books and this one was no exception. This will grip you from the first page. You will be riveted with anxiety because you are so invested in the characters. I read a ton and it has been a while since a book has gripped me like this. Terrific read.

This was a great story. I was shocked by the outcome. Karin writing pulls you in from the very beginning of the story and holds you till the last word. I would highly recommend this book.

I am a big fan of Karen Slaughter. Her books are always so spell binding. Everyone I have read holds my attention and always an unexpected twist.. I am ready to read more

Karen Slaughter can be counted on to always writing a story that you will like reading. This was short but interesting and leaves you wanting to read her next novel.

Great preview of characters...I am hooked.Charlie!! can't wait to start The Good Daughter.

I have been a fan of Karin Slaughter for years. I have read all her books. I am looking forward to hearing more about Charlie Quinn.

Love Karin,discovered her books browsing the stacks at the library.
