Customer Reviews

"For tireless seekers of the authentic." WALL STREET JOURNAL "This is the freshest-feeling guidebook since On The Road, that Kerouac thing. And Bruce's has better drawings." - PASTE "Unlike traditional guidebooks that list the same old must-see sights and touristy neighborhoods, this new series, entitled Wildsam Field Guides, gets at the soul of a city." - CONDE NAST TRAVELER "An intricate portrait of place; part guide, part tribute, part artwork." - CEREAL "Your grandpa's guidebook loaded with local interviews, lore, hand-drawn maps, and city secrets. Wildsam launched its charmingly throwback series in 2012." - NATIONAL GEOGRAPHIC TRAVELER

Taylor Bruce founded the Wildsam series of American field guides in 2012. His guides incorporate personal essays, local interviews, illustrated maps, and archival anecdotes to capture the living history of some of America's favorite cities including San Francisco, New Orleans,

Charleston and Detroit. Selected by National Geographic as a part of the prestigious "Traveler 50" list in 2014, the series will expand in summer 2016 to include guides to great American road trips. Previous to starting Wildsam, Taylor's writing appeared in Men's Journal, Paste, and Oxford American, among others. Michael Burdick is a Detroit based artist and illustrator. Other design clients include Shinola and Carhartt.

This is a small book that packs a huge punch when traveling. Background on the neighborhoods, insight into the history of the city, as well as tips on some lesser known destinations. Highly recommended.

I already wanted to visit Detroit and now with this guide I'm even more excited. It has an easy to use layout and it's full of the best spots opening up in Detroit as well as bios of the people who have made the city great - can't wait to collect all of these Field Guides.

Fun and informative.

A great gift for proud Detroit natives! My husband and I are headed to Detroit in a couple of weeks and it's the first item on my packing list!
