Customer Reviews

Founded in 1996, Indianapolis-based TF Publishing (TFP) is one of the nations top publishers of calendars and dated stationery products. Setting the bar for top-notch quality, a broad range of designs and licenses, and unmatched service, TFP continues to earn the trust of retailers and consumers alike.

You can only use marker on the first page, otherwise there's bleed through. Also, I thought it would be all mandalas and paisley, but they was just the first page. It ended up being a variety. And February had a fish splashing in water, which is odd for the middle of winter. After that, I didn't color the rest.

I did this brand last year and really enjoyed it all year! The paper is good and strong as I found out by trying another brand this year that fell apart almost immediately!! I came right back and even bought some extras for gifts! I think these are the best and very fun to do, quality is everything!! Happy coloring!

This is a great calendar. Simple coloring so I don't get all flustered trying to get it just right. Works well with markers.

BEST \$3 spent

I gave this to my grandma for Christmas and she loved it! Great for all ages!

November is my fav!
