# CLEP Information Systems And Computer Applications Test Study Guide

## Synopsis

This year, thousands of students will test out of classes by taking a CLEP test. With over 2900 colleges and universities that accept CLEP tests as credit, it has never been easier to complete your college education quickly. CLEP tests save you class time, money for books and tuition and shorten the path to your degree. Our study guides are a helpful way to learn the information for the CLEP test in the most condensed manner possible. This study guide is 124 pages long and includes 120 sample test questions. You too can pass this popular CLEP test.

## Book Information

Paperback: 124 pages

Publisher: Breely Crush Publishing (April 11, 2016)

Language: English

ISBN-10: 1614332835

ISBN-13: 978-1614332831

Product Dimensions: 8.5 x 0.3 x 11 inches

Shipping Weight: 13.6 ounces (View shipping rates and policies)

Average Customer Review: 3.2 out of 5 stars 5 customer reviews

Best Sellers Rank: #524,698 in Books (See Top 100 in Books) #73 in [Books > Education & Teaching > Higher & Continuing Education > Test Preparation > CLEP](#) #1515 in [Books > Education & Teaching > Test Preparation > College & High School](#) #3869 in [Books > Textbooks > Test Prep & Study Guides](#)

## Customer Reviews

just used two things. this book and the 10 dollar "study guide" on the clep website which had no information, but a useful practice test. I read the 60 pages of info in this, took notes, cut out the flashcards, and took the practice test. all in all maybe 15 total hours of studying. I knew a bit about like hardware and software but mostly encountered new terms and concepts. my score was a 64 and my school required a 50 to pass. Heads up, the test had some newer terms and concepts- hence the usefulness of the clep website overpriced bs. TLDR this book taught me what was on the majority of the exam. GL

I bought this book to review for the Information systems CLEP test. I passed my test, but I don't contribute my score to this book. Out of 100 questions there may have been 2 that were similar to something out of this book. It was a waste of time. If you're planning on taking the CLEP Information

Systems test I suggest finding a different book.

Whatever you do please do not buy this book. I don't know why others found this book useful. It was waste of time and money!! Everything I studied for wasn't even close to what was on the actual exam. Major disappointment!

Using this book, along with the official Information Systems Guide, helped me to pass the CLEP exam after 2 weeks of studying.

Great
