Time, Money, And Measurement, Grades 1 - 2 (Skill Builders)

Synopsis

Skill Builders are great for the child who needs extra practice, for the accelerated child who enjoys an extra challenge, and for the young learner who is developing basic concepts and readiness skills. High-interest activities use art to encourage children to have fun while learning. Well-paced activities gradually become more difficult as children progress. Includes over 100 activity pages, as well as answer pages where needed. Time, Money, and Measurement is filled with exciting activities and attractive art to inspire students.

Customer Reviews

great for teaching introductory time, money and measurement skills; I use for high school kids with disabilities.

I love that the coins are not in color so they are easy to make copies of for homework packets!

Good
