Today's Health Professions: Working Together To Provide Quality Care

Synopsis

Which health career is right for you? What do you need to know to be successful? How do professionals work together to deliver patient-centered, holistic care? Here is the information you need to choose the career that is right for you. From athletic trainer to speech pathologist and every major healthcare profession in between, you will explore their histories, employment opportunities, licensure requirements, earnings potential, and career paths. Professional healthcare providers share their personal stories; introduce you to their work; and describe what a typical day is like. Their insights help you to see which career might be the right one for you. You will also learn about the important role interdisciplinary collaboration will play throughout your career. As a healthcare professional, you will work as a member of a team that is focused on providing quality, holistic care to your patients. Thought-provoking activities and exercises in the book and online at DavisPlus help you to understand the complexity of care and prepare you to collaborate successfully with other disciplines.
