Awesome Air Shows: Maximize The Thrills

Synopsis

Are you one of the millions of people who will attend air shows this year? This easy to read guide gives you all the information you'll need to have a terrific time. Use the practical tips and tricks inside to:

- Discover the very best parts of the show, before you go, so you can focus on what's important to you.
- Save time, by working around the large crowds, so you can have the most fun.
- Understand what's happening in the sky above you.
- Become familiar with the aerial acts and planes you are likely to see at air shows in North America and around the world.
- Get the most from your encounters with aviators at the show.
- Go behind the scenes to see what's involved in putting on an aviation event for tens or hundreds of thousands of people.

Learn a little, or probe in depth, a simple format allows you to decide how much you want to learn about a particular aspect of an air show. Because this is an E-book, you can access all of this information on your smartphone or other mobile device while you are at the show. You can also use this book after the event to answer your questions and fill in the blanks about what you saw. Whether you are a first time attendee, or an air show veteran, this guidebook will help you maximize the excitement of watching aircraft trace unbelievable paths in the sky.
