Angelic Sigils, Keys And Calls: 142 Ways To Make Instant Contact With Angels And Archangels

Synopsis

Whatever you desire, there is an angel that can help. This is the most comprehensive book of practical angel magick you will ever find. Discover 142 Angels and Archangels, and the secret sigils, keys and calls that let you make instant contact with them. You will find angels and rituals for every desire, covering powers related to money, love, the spirit, self-understanding and healing. You can do no harm, and come to no harm. This is pure, safe magick. There are no demons, no dark forces and no fallen angels, only angels of light. What makes this different to other angel books? It contains a simple magick ritual that gets results. You perform each ritual just once, on any day that you choose. There are 127 sigils, with the Secret Admitting Words that make them work. For the first time, Ben Woodcroft reveals a ritual method that is refined and advanced, while remaining simple enough for beginners. It's based on centuries of magickal knowledge, updated by several decades of secret research and experiment. The ritual practice has been crafted so that when you call to the angels, they hear you instantly. There are many books about angels, but there are none that concentrate the magickal process into something so simple, while giving you access to so many angels. You will work without any wands, incense or oils. It is your divine right to contact angels, and the exact method for doing so is set out in detail. You will discover: The Eight Angels of Virtue, who bring clarity, honesty and peace The Nine Angels of Thrones, who work primarily with the emotions The Eleven Archangels, who help with major life changes The Angels of The 72 Letter Name, who are willing to help on countless issues The Angels of The 42 Letter Name, who are concerned with self-discovery The Preparatory Working for opening up the doorway to connection The Central Working - a simple ritual that works for any of the angels This book gives you a way to send your hopes and needs to the angels, so that your life can be changed. It is potent, practical magick that brings the results you desire.

Customer Reviews

I love angel magick and I love it best when it's kept simple. Writing this book was an absolute pleasure for me and it's an even greater joy to share it with you all and hear the stories of success. I also made sure there was a free audio guide so that pronunciation easy, and there's a link to that in the book.

This is one beautiful and elegant system of magic. It belongs to very popular "new wave" approach to magic started with the books by Damon Brand few months ago. In this particular title simple yet profound methods are presented in a very clear way. Plus all audio materials about how to pronounce words are available for free on authors website.

Ben Woodcroft offers simplified, powerful magick that requires no altars, magickal tools, items, or special ingredients. This is practical magick with a simple magick ritual that can transform YOUR life.:) Ben, thank YOU for sharing the secret with people around the world.

I used it for a chronic sinus infection, I wasn't expecting much since health magick is hit or miss...but it worked! a chronic sinus infection cleared up for the first time in 5 months! This was huge, because I tried so many things and my stomach was getting ripped apart by the antibiotics and the infections just wear me down.

There is nothing in this book that deals with demons, except how to remove a demonic curse. It is lighter in nature & has some great sigils. It offers some different aspects than other books. Thank you to the author for providing some videos, on your site. They are very helpful with precise pronunciation!

Excellent Book can't stop reading...

This really is a good book

recommended

I picked this book up a while ago, and haven't really used it all that much. Good information, but does it work? Well, earlier this week, I got a money order drawn up for my rent. I don't use checks; landlord doesn't take cash or electronic payments; so money orders are how it gets done. It was ridiculously sticky outside: Florida, beginning of August, you do the math. So by the time I'd walked home, everything in my pockets, rent included, was sweat-soaked. I put the money order out to dry...and, naturally, promptly forgot where I'd put it. So, on the last day it was due, I talked to my landlord and said, look, I misplaced the thing, and you know that's not like me. I've looked EVERYWHERE, dangit... Just make sure it's in the box when I come in, I was told. So, after looking everywhere one more time, I said, what the heck...can the angels find it? Enter Menakel, one of the angels in this book. I was kind of nervous, truth be told, when I did the ritual. Didn't see or hear anything weird, didn't really feel much; I just got the impression that I should get some sleep after all the searching. I set my alarm for three hours, and woke up impossibly refreshed for having slept so little. Went to the kitchen to get something to drink.....and just about slipped on my missing rent! It was on the floor, in plain sight! I don't know how it got there, or how I'd overlooked it while tearing the place apart for two days, but there it was! Thank you, Menakel! And thank you, Ben, for giving us this incredible work! This works! GET IT!!
