Customer Reviews

Student edition of Harcourt social studies Grade 3 our Communities

I really love this book! Bright pictures, easy to read text, and age-appropriate handling of topics. Very pleased with this purchase and likely to buy Harcourt texts again next year.

Well written, well organized, contains nice color photographs and illustrations. The textbook is full of activities and assignments correlated with language arts standards in addition to social science standards. I love it!

Just as promised

I agree with the other review. This is some sort of Indiana state social studies book. There is nothing in the written description about this.

Great quality.. speedy delivery!
