The Shadowmask: Stone Of Tymora, Book II

Synopsis

Cross swords with a blue-skinned pirate and unravel the mystery of the masked spellcaster in this second book of the Stone of Tymora trilogy! Though robbed by a masked spellcaster and left for dead by a demon, twelve-year-old Maimun refuses to give up the magic that rightfully belongs to him. After reuniting with dark elf Drizzt Do'Urden and Captain Deudermont's crew, Maimun sets off on a sea-faring chase that will test both the strength of his spirit and of his friendships. As perilous storms rock Sea Sprite and vicious pirates bombard its decks, a mysterious force gathers in the Moonshaes, determined to bring Deudermont's ship - and Maimun's quest - crashing to an end on its shores. In this second book of the Stone of Tymora trilogy, R.A. Salvatore and his son Geno continue their gripping tale of coming-of-age in a world filled with magic, featuring a cameo of R.A. Salvatore's signature character Drizzt Do'Urden. From the Hardcover edition.

Customer Reviews

I forced myself to read this book after struggling through the first one. I could not make it through the

entire book. It is awful and the main character is a whiny punk. I have read all of the Drizzt books that RA Salvatore had to offer. I am extremely disappointed in this book. I understand that he was allowing his son to take the lead on this, I just wish that he would have guided him more. The main character is horrible and throws temper tantrums throughout the series. I cannot believe the non reaction that the main character received from the supporting characters that were on loan from RA Salvatore's other books. I wish that Drizzt and his friends were not involved in this trash!!

A big fanboy Always happy with Salvatore's work, why are they making me write so many words?
Who will actually read this heh

A good book for youngsters.As for the adults, I got it to complete my Drizzt collection.

A ripping good read. Loved this! Can't wait to read book 3 and like the old pirate hear the end

Great Series!!!!!! Would love to see some movies based off his books.

loved it

These books are very fast paced and short. Good read though for the most part. Can't wait to see if he continues with a fourth book.

Lackluster compared to his other series.
