Trevor Jenner, is English and has had a multi-faceted career that has entailed a host of travelling throughout the globe. He setup and ran a tour company operating specialist tours to Africa and India. In over two decades of travel to Ethiopia he has travelled to all points of the compass - from the historical north to the tribal south, from the dry deserts of the east to the humid forests of the west, from the depths of the Afar Depression to the heights of the Simien Mountains. He has covered them all - many times. He still visits Ethiopia regularly and leads the occasional specialist tour. He loves Ethiopia and its people, his infectious enthusiasm and knowledge is plain to see.
