Customer Reviews

Everyone has heard strange stories about Hawaiian magic, about the tiki gods and so on. But when you take a trip to Hawaii, you're unlikely to experience that fun spine chilling stuff by just going to the beach. That's why this book is great. It has all sorts of secret information about Oahu that I bet many people who live in Hawaii don't even know about. I learned some really interesting things from this guidebook--about the Hill of Sacrifice, and about a temple with a supernatural dog! I have no idea how the writers found out all of these amazing, spine-tingling, fascinating facts, but they really

did their homework.

The ancient times of Hawaii really come to life in the beautiful descriptions in this book. It will inspire you to leave the resorts and explore the mysterious valleys of Oahu. You can feel the power and majesty in these spots, some of which are thought to lie on sacred leylines. If you want to enrich your holiday, reading this book and visiting some of the sites will do it! It will make you want to return to Oahu for every vacation!

A wonderful guidebook to off-the-tour ancient places, some even locals don't know about. A must have if you want to do more than just go to the beach.
