I love the book it was a great read hope to see more of this story love your book

Couldn't stop reading this series! Literally would have to take ten minute naps, so I wouldn't have to put down the book for long. Very captivating!

Loved the series. I could not put them down. Good vs. evil is always a nail biter. The deeper I got into the series the more intense it became and I wanted to keep reading to see what would happen next

I enjoyed the whole series. I wasn't sure at first but I was sucked in and tore through all 5 in a week. It's been a long time since I've found an author that can suck me in like that.

I couldn't put it down. Best week I've had in a long time. Highly recommend reading this great love story. I stumbled upon this author from a Kindle First of the Month selection and I'm hooked.

Amazing!! It was super hard to put down. Amy Bartol instantly captures you with the story and you fall in love with the characters.

I purchased the 1-5 series book. I so enjoyed the characters and the story. I loved that each character got to tell things from their point of view.

Could not stop reading. I wish there were a book 6 that told us the back story of the fairy queen! Is it Evie??
