The Choices Justices Make

Synopsis

The Choices Justices Make is a groundbreaking work that offers a strategic account of Supreme Court decision making. Justices realize that their ability to achieve their policy and other goals depends on the preferences of other actors, the choices they expect others to make, and the institutional context in which they act. All these factors hold sway over justices as they make their decisions, from which cases to accept, to how to interact with their colleagues, and what policies to adopt in their opinions. Choices is a thought-provoking, yet nontechnical work that is an ideal supplement for judicial process and public law courses. In addition to offering a unique and sustained theoretical account, the authors tell a fascinating story of how the Court works. Data culled from the Court's public records and from the private papers of Justices Brennan, Douglas, Marshall, and Powell provide empirical evidence to support the central argument, while numerous examples from the justices' papers animate the work.

Book Information

Paperback: 224 pages

Publisher: CQ Press; 1 edition (January 1, 1997)

Language: English

ISBN-10: 1568022263

ISBN-13: 978-1568022260

Product Dimensions: 6 x 0.5 x 9 inches

Lee Epstein is the Beatrice Kuhn Professor of Law and Professor of Political Science at Northwestern University. She is also a fellow of the American Academy of Arts and Sciences and the American Academy of Political and Social Science. She received her Ph.D. from Emory University. She is coauthor of *The Supreme Court and Legal Change: Abortion and the Death Penalty* (1992) with Joseph Kobylka; *Advice and Consent: The Politics of Judicial Appointments* (2005) with Jeffrey A. Segal; *The Supreme Court Compendium: Data, Decisions, and*

Developments, 4th ed. (2007) with Segal, Harold J. Spaeth, and Thomas G. Walker; and The Choices Justices Make (1998) with Jack Knight, which won the C. Herman Pritchett Award for the best book on law and courts. In addition, she is coauthor, with Walter F. Murphy and C. Herman Pritchett of Courts, Judges and Politics, 6th ed. (2006). Jack Knight is professor in the political science department, a fellow of the Center for Political Economy, and a member of the Committee on Social Thought and Analysis at Washington University. He is the author of Institutions and Social Conflict and co-editor of Explaining Social Institutions with Itai Sened.

The politics of a supposedly unpolitical institution.

This book came super fast. Has some usage but still in great condition. Thank you.

Boring, but you will learn a lot from it. Good book if you really want to know why supreme court justices make the choices they do.
