Customer Reviews

I loved the main and supporting characters but my heart goes out to Paige. She is tough, vulnerable, she has her weaknesses and she is damn sexy. In this series you got great actions, a lot of twists and turns, tender and sexy moments. This series is a must read. I could not put it down and have read all 6 parts at once. My advice, read it and you will not be disappointed.

This wasn't the ending I wanted, or even expected. But it was great nonetheless. Everything worked out perfectly for Paige, and in a way Kate too which I was happy to see. In the previous books I

wasn't a big fan of Kate. I suppose that's because the Paige character is very strong and likeable. But in this book they are more together, as two parts of one whole, and that makes for a better ending than the kind of ending I was thinking about. Love Emily, she is a perfect foil for Paige and an outlandish character who really shines brightly in the final book. And this is why it's a shame this is the last of the series. It is getting better with each story

This review basically covers the entire series. Very easy to read. A nice mix of romance and mystery. Really liked all the books in the series.
