Customer Reviews

Starts out OK. The jokes are decent in the sense that they're OK, not clean - the first section is adult jokes. A bit past the part that you might download as a free preview, everything gets pretty terrible. It's a pretty deliberate deception by the author. Jokes are repeated in slightly different forms, quite regularly. Jokes are mistranslated extremely regularly. It's actually mildly interesting to recognize what the joke should have been. But only the first 50-100 times it happens. Basically, the proof-reading and editing is the worst I've seen in any book, anywhere. I've read a LOT of joke books, and maybe every 100th joke was new to me, which impressed me, but the drab one had to wade through to get to that joke was too onerous. Sad to admit I nearly got to the 20% mark before giving up. Good price? It's really big, but if you offered to pay me \$100 I still don't think I'd finish

reading this book.

In short, this book has too many repeated jokes (often with barely different wording) and seems to have been edited by a non-native English speaker, resulting in some stilted language and confusing punchlines. The book is divided into sections but the table of contents is not active. The first section is adult jokes, and has quite a few raunchy ones (don't let "decent" in the title fool you into gifting this to your grandma!). It's hard to go wrong with a 0.99 joke book, though, so if you're willing to put up with some annoying issues you will find quite a few good jokes in here.

I've really enjoyed several of the jokes included in this book, but the editing drastically reduces the level of fun to be taken from it. Some jokes are repetitions of prior ones, with minor changes, many are unnecessarily longwinded, and I've yet to find even a quick one that doesn't contain at least one syntax error, including spelling mistakes, poor grammar, omitted words, unnecessary punctuation, lack of punctuation, and faults in capitalization. Were it not for this, even with some repetitive material, I could've given it a solid 4/5 or better with thanks to providing the bones of a lot of very entertaining jokes that I can reword and pass along, but the editing (or lack thereof) really kills it for me.

Some of the jokes are quite funny, but there's lots of sex, racism, and insulting ethnic and national jokes. Some are well written a h m m d some

I am giving this 5 stars, even though I would have given it 4 stars if I hadn't read some of the surprisingly negative reviews. I feel like I need to balance the unfairness. This is a lot of jokes for 99 cents and a lot of them are very funny, unless your sense of humor doesn't stomach occasional corniness. There is nothing raunchy or mean-spirited here, although there are some off-color jokes, nothing indecent. There are some repeats and grammatical errors, but you get 4000 jokes!!!

Some of the jokes are repeated mere pages apart. Many are written in non-standard English. (You can identify some of the countries the English usage comes from, but I don't want to be flamed for mentioning them by name.) It is very clear that the author simply copied jokes off the net or out of Emails and saved them in a file to come up with this effort. Besides the repeats, many are just different, less funny versions of the same thing. This is a seriously, seriously unprofessional, unedited effort. As for decent - well some may be decent but very few are suitable for work. Those

that are not PG18 are childish and facile. I will stop now, but I will say I felt ripped off... Author must try harder.

Pretty good jokes and riddles but a lot of typos but didn't usually make the jokes incomprehensible.

There are a number of repeats like others have said, but hey there must be at least 3,800 jokes here and you can't beat the price. BTW: there not PC and a number are not rated for children.
