God Is Always Good: Comfort For Kids Facing Grief, Fear, Or Change

Synopsis

A remarkable tool for parents to use for everything from the death of a goldfish to a national tragedy. A friend who doesn't keep a promise. A scary storm. A soldier who goes off to war. Saying goodbye to a pet or a loved one. Every day, children come in contact with scary or sad situations where they can feel helpless and alone. Filled with scriptures, soft illustrations, and sweet, reassuring text, this book will broadly address scary situations and remind children that God is always in control and that He will bring good out of bad things. *God Is Always Good* features sweet illustrations filled with animal characters who show how God never leaves His children alone, and we can see Him through the helping hands of others, a hug, a warm blanket, or even a smile. Each spread features a scripture, giving children biblical assurance that God keeps His promises. Christian parents will love having a biblically based resource, backed up by Scripture, to bring comfort to children during difficult times.

Features & Benefits: Kids have lots of fears, and this book helps them feel safe. Comforts kids by addressing needs and fears with Scripture and a soothing message. Soft illustrations and sweet text make this message inviting for young children. Padded Hardcover

Customer Reviews

Tama Fortner is a freelance writer who has collaborated on such bestselling titles as *Jesus Calling for Kids* and *Grace for the Moment for Kids*. She lives just outside of Nashville, Tennessee,

with her husband, two kids, a dog, and a cat aptly named Trouble.

Two things I wish I had known about this book before I bought it.¹ This isn't a storybook. It is more like a catechism type book with questions and answers. So if you are looking for a story to read to your kids, this is not the book. You might consider "It Will Be Okay" by Lysa TerKeurst.² Some of the questions in this book are answered in a way that seems to support the belief that God does not cause bad things to happen. This is a complicated theological issue, but if you believe that God is completely sovereign and in direct control of everything that happens, you may not agree with the way this book explains things.

Love it! Every Christian family should own this book! It has soft, dreamy illustrations, and simple, conversational text. It really isn't JUST for kids "facing grief, fear, or change". It has definitely helped me answer some of my 6-yr-old's more difficult questions regarding God. It also includes scripture that supports or answers those specific questions. I'm soooo glad I purchased this book! I am seriously thinking about buying several more copies to give away as gifts. My recommendation? Buy it! You won't regret it :)

Great job with a tough topic! I highly recommend this book for children. You never know when they may be faced with some difficult situations to deal with, such as death of a loved one, divorce of parents, or whatnot. Tama Fortner, the author, did a great job! I hope to see more children's books by her!

I'm so glad to have a book to help me explain difficult topics to my young girls. The writer does a wonderful job of answering tough questions in a sweet & simple way, perfect for young kids. I was thankful that each page includes a Bible verse to support the answers. The illustrations are adorable also.

This book is really special! My daughters 2nd grade class gave this to her as a going away book when we moved. It served as a beautiful reminder that God is always good in all of life's circumstances.

My grandchildren Love this book. It is beautifully written and illustrated . I would recommend this book for all small children. What a beautiful way to share God's goodness with children.

This was a gift but I read the book and like it.

Great book!
