Synopsis

In this new book "SECRETS SHARED BY LBJ'S MISTRESS", M. Glenn Baxter after over 40 years reveals the secrets told to him by Madeleine Duncan Brown, the mistress of President Lyndon Baines Johnson for 21 years. He shares experiences in the advertising business in Dallas when sex was rampant, oil was power, the underworld was a way of doing business, politics were ruthlessly run by sociopaths and the Texas elite controlled the world. The book explores how massive mind manipulation and conditioning through Corrupt Establishment Politicians and News Media with Foreign Interest Ownership can enslave the world and take away the sovereignty of the United States of America. The American people were warned over 50 years ago. There is a plot in this country to enslave every man, woman and child. Before I leave this high and noble office I intend to expose this plot. President John F. Kennedy 7 days before his assassination. Looking back at how brutally powerful the LBJ Presidency became in 1963 gives readers a perspective of the incredible power Barack Obama wields through executive orders and many pro Islam statements against America like "We Do Not Consider Ourselves A Christian Nation." The GOP does not want voters to decide who is President. The old corrupt leaders are desperate for Jeb Bush or Marco Rubio or anyone of the insider candidates to be President. The "Fat Cat" establishment is showing desperation in protecting their power with lobbyist corporations and personal wealth they have gained from taxpayers, kickbacks, war armaments and the blood lost from American Soldiers. Baxter is only one individual voice speaking out exercising his first Amendment Rights to inspire others to speak out and support outsiders like Donald Trump and Doctor Ben Carson. In "SECRETS SHARED BY LBJ'S MISTRESS", Baxter helps readers to connect the dots to prove beyond the shadow of a doubt that Lyndon Baines Johnson the 35th Vice President of the United States was responsible for the assassination of John Fitzgerald Kennedy. He realizes that the public was brainwashed worldwide by the cover up Johnson directed through the Warren Commission. Anyone who doubts this happened needs to read the books "Blood, Money, and Power..How L.B.J. Killed J.F.K." by Barr McClellan, "The Man Who Killed Kennedy|The Case Against LBJ" by Roger Stone, Texas in the Morning: The Love Story of Madeleine Brown and President Lyndon Baines Johnson, and Billie Sol Estes a Texas Legend by Billie Sol Estes. Mr. Baxter asks readers to read his book and all these other books. Then if someone still believes LBJ is innocent, they can disagree and call Mr. Baxter a conspiracy nut. That is okay because they will be exercising their freedom of speech.

Customer Reviews

This is one misleading title. It seems to me very little was actually from LBJ's mistress and mostly the opinions of the author and political viewpoints of the same are what makes up the content. Be warned this book is a long political ad

Fascinating read. Highly recommended. Had no idea this stuff was going on. Its directly connected to today.

Just his sleazy story not anything historical. His bragging about being in a limo and picking up women. Misleading title.

The title of this book is misleading at best. There are no LBJ "secrets" revealed. The author only uses this to engage readers and the whole purpose of this book is his political agenda for the current election (which is not related to LBJ).
