James Herriot's Yorkshire: A Guided Tour With The Beloved Veterinarian Through The Land Of All Creatures Great And Small And Every Living Thing, Gloriously Photographed And Memorably Described

Synopsis

Here is James Herriot's best-selling personal tour through the beautiful, almost magical land of All Creatures Great and Small and his new volume of memoirs, Every Living Thing. The gorgeous northern English countryside, depicted so memorably in James Herriot's internationally adored books, jumps to life here in more than two hundred full-color photographs that reveal the dales, the snowy hills, the becks and towns and farms in all their glory. Accompanying all this is a warmhearted text by the beloved veterinarian himself, who leads you through the countryside that he has made his own. And as you enjoy this book, he will make it yours as well.

Book Information

Paperback: 224 pages

Publisher: St. Martin's Griffin; 1st edition (March 15, 1981)

Customer Reviews

"A very personal, knowledgeable guide that will tempt and delight the vicarious traveller."

--Publishers Weekly
"Here is the perfect companion volume." --Library Journal
"A book...to fuel the fervor of the author's many fans." --Booklist
"A lovely book; its gentleness has a special animation. To those who already love the wild uplands and lonely moors and broad dales, it speaks with no delay." --Christian Science Monitor

Yorkshire is Herriot country--restless winds ruffling the heater on the lonely moors, rustic stone walls stretching across lush green dales, gentle sheep grazing near isolated farmhouses. All the cherished scenes and memorable characters of the wonderful Herriot books come to life as the world's most beloved veterinarian takes you to his favorite places. . .and in warm, loving, deeply enriching commentary, shares with you memories of his life with Helen, Fiegfried, Tristan and the

special animals he has so tenderly cared for in this hauntingly beautiful corner of England. --This text refers to an out of print or unavailable edition of this title.

I have read and thoroughly enjoyed all of James Herriot's books so knew I would love his book on the Yorkshires. The photography is stunning and the narratives quite descriptive. I can picture James in his rounds of the outlying farms rattling along in his ancient car and stopping periodically to take in the breathtaking views. This book enhances my enjoyment of all the Bright and Beautiful books and I can revisit such a beautiful place any time I wish.

I had purchased a paperback of this book, and the photos were all in black and white. I couldn't imagine what I had read about these wonderful photos of Yorkshire, and then I found the Colored photo version, and it is beautiful. Reading such a lovely narrative along with seeing the photos is very delightful. Yorkshire is a really special area in England.

I have to admit I am addicted to James Herriot's books. Having read them all a few years ago when they first were published and now again on audio discs in my car, they are so enjoyable. It is just like spending time with your very best and loved friends. I never want to turn my car off and leave these wonderful stories. When I took the family on a two month trip to the U.K. I insisted on finding the villages up in Yorkshire where James Herriot's tales come to life. This was a bit of a task because Darraby does not really exist except in the lovely pages of his books. This is a beautiful book that takes the reader on a precious journey through his world.

James Herriot's Yorkshire is a great book for planning a trip to the Yorkshire Dells. The book identifies locations from the TV series as well as describing towns, villages, and countryside, locations that are not to be missed.

Gave it as a gift - my friend loved it. I had enjoyed Herriot's All Creatures Great and Small, and knew my friend would enjoy this.

The pictures were a disappointment.

I purchased the book mainly because of the movies. But also because I had heard it had wonderful photography. It makes you want to visit Yorkshire if for no other reason, the scenery. Maybe one

day when I am rich, can afford it and have no clock to punch I may just do that!

I got this book for my husband, because he's a terrific James Herriot fan. This was definitely not a disappointment...it portrayed the beautiful Yorkshire country that Herriot writes so lovingly about. It was a great hit!
