Free The Darkness: King's Dark Tidings, Book 1

Synopsis

Raised and trained in seclusion at a secret fortress on the edge of the northern wilds of the Kingdom of Ashai, a young warrior called Rezkin is unexpectedly thrust into the outworld when a terrible battle destroys all that he knows. With no understanding of his life's purpose and armed with masterful weapons mysteriously bestowed upon him by a dead king, Rezkin must travel across Ashai to find the one man who may hold the clues to his very existence. Determined to adhere to his last orders, Rezkin extends his protection to an unlikely assortment of individuals he meets along the way, often leading to humorous and poignant incidents. As if pursuing an elite warrior across a kingdom, figuring out who he is and why everyone he knows is dead, and attempting to find these so-called friends and protect them is not enough, strange things are happening in the kingdom. New dangers begin to arise that threaten not only Rezkin and his friends, but possibly everyone in Ashai. This is the first installment of an ongoing series. This book is intended for adult readers. It contains graphic violence, creative language, and sexual innuendo. This book does not contain explicit sexual content.

Best Sellers Rank: #108 in Books > Audible Audiobooks > Fantasy > Epic #229 in Books > Literature & Fiction > Genre Fiction > Coming of Age #231 in Books > Science Fiction & Fantasy > Fantasy > Coming of Age

Customer Reviews

The lead character can wear you out with his naivety and unreliable perception of the world, but it's still an interesting story with a very unusual hero. It would be nice to get the point of view of the antagonist, since all we know is that he is evil for evil's sake. Perhaps the motivations will be revealed in time, but nothing so far. Still worth reading for fans of fantasy.

This is a fantastic story. I just finished the second one and have told my family and friends to read it! Yes, the hero can do everything, but he has honor and it is so refreshing to read about a character who stands up to injustice and loves the girl enough to avoid temptations. This story and this author will be read again. Can't wait for the next book to come out!

The writing is decent and the story interesting enough. However, as other reviewers mentioned, the main characters naivety about certain things is inconsistent with the narrative and overplayed to the point of being somewhat annoying. Still, I plan on checking out the next book in the series.

Kade may not win a Pulitzer but he may win a Hugo in my opinion. If you like your stories with so many twists and turns you have to take notes to keep up (I mean you Erickson & Jordan), then this book isn't for you. But if you want a good story that's an easy fun read, then I highly recommend this book.

I liked this book despite all the fighting, it is a little unusual and the character is likeable--I am looking forward to the third in the series

Excellent! Look forward to the third book. Language is clean! The main reason I gave it a five Star rating. Thank you Kel Kade.

If you're looking for an action-packed adventure, this is it! Loved all the characters. Loved Rez! Its going to be a fun series.

I have not enjoyed a book like this in a while. There is enough mystery going on to keep you intrigued in the story line and the main character is so fun. I just bought the next book and I need to start reading it so bye!
