Training And Showing The Cutting Horse

Synopsis

Invaluable advice for both beginning cutters and more experienced riders looking to improve their competing skills. The cutting horse's instinct for isolating a single cow from the herd has become the basis for a major spectator sport. Every year, people from all walks of life are drawn to hundreds of arenas around the country to compete for prizes totaling upward of \$2.1 million. Drawing on her own competition experience and on discussions with leading trainers and riders, Lynn Campion has crafted a book that imparts the knowledge that until now was passed on only by word of mouth. Richly illustrated with photographs and diagrams, *Showing and Training the Cutting Horse* runs the entire gamut of training.

Customer Reviews

An excellent guide to the sport....Well-written, sensible, and very helpful. -- Quarter Horse Journal
Highly recommended. -- Horse Illustrated

The cutting horse's instinct for isolating a single cow from the herd has become the basis for one of the world's fastest growing sports. In *Training and Showing the Cutting Horse*, Lynn Campion draws on her own experience as well as the wisdom of leading trainers and riders. The result is a book that explains what was once available only through word of mouth. Here is tried-and-true advice for both beginning cutters and more experienced riders looking to improve their competitive skills. (7 X 9 1/4, 208 pages, b&w photos, diagrams)

Book is older as per copyright so may not be current, but only resource that contains this type of content.

Well worth the reading if you are interested in the sport. I am new to the sport and feel it offers some excellent tips.

Lynn Campion's *Training And Showing The Cutting Horse* uses the author's own experience as well as the experiences of leading trainers and riders to explore horse-training tips for both beginners and experienced cutting horse riders. Packed with practical ideas.
