Rose Guide To The Temple

Synopsis

Easily See How the Jerusalem Temple May Have Looked 3,000 Years Ago

Rose Guide to the Temple is the ONLY Christian book on the Temple in Jerusalem with clear plastic overlays that allow you to "see inside" the Jerusalem temple AND has over 150 temple pictures, illustrations, diagrams, and charts! Includes

- The entire history of the Temple in Jerusalem, from the time of Abraham to modern day
- Clear plastic overlays let you see inside the Temple and Tabernacle
- Full-color book with illustrations on every page (Many of these images cannot be found in any other Temple book)
- 24-inch-long fold-out poster of the Temple Mount over 2000 years by National Geographic
- 6 time lines with more than 100 events from the time of King David to modern day

Rose Guide to the Temple is a full-color Christian book that provides a complete easy-to-understand overview of the history of the Temple in Jerusalem. Based on the most up-to-date discoveries, this book explains the biblical and historical background of the temple in Jerusalem. If you enjoy studying God's Word, you will love the fact that Rose Guide to the Temple answers many questions about how the Jerusalem Temple looked during biblical times. Bible scholars and professors will enjoy the well-annotated text. The author is archaeologist and professor Dr. Randall Price, who has spent more than 30 years exploring the Holy Land and studying the Temple Mount in Jerusalem.

Features Exclusive Temple Pictures, Temple Mount Illustrations, and Clear Plastic Overlays

Rose Guide to the Temple has 150 images, charts, diagrams, photos, and illustrations, many of which have never published before, and covers the important events and people in the history of the Temple from Abraham to modern day. Includes

- Stunning graphics and temple pictures with clear plastic overlays showing the inside of the Tabernacle, Solomon's Temple, and Herod's Temple.
- Dozens of temple illustrations, floor plans and diagrams by top biblical illustrators and archaeologists: Solomon's temple, Nehemiah/Zerubbabel's Temple, Herod's temple, Ezekiel's Temple, etc. (Detailed, clearly labeled, and easy-to-read)
- 100-event timeline from the time of King David to modern day (there are 5 detailed time lines in this book).
- Dome of the Rock history, floor plan, cross-section, and the area where the Ark of the Covenant may have stood.
- Pictures and simply explanations of the high priestly garments, feasts, and sacrifices
- Dozens of charts showing loads of information at a glance and making it easy to compare Old and New Testament scripture.

Bonus! Fold-out Temple Poster by National Geographic® shows a new digital model of the Herodian Temple Mount and Temple Mount throughout time!

Customer Reviews

It is a real pleasure for me to describe my joy and deep appreciation for "The Rose Guide to the Temple" by Dr. Randall Price. Lay people and scholars alike will find that the narrative script, the graphics, and the pictures are most scintillating and beautifully carried out throughout the entire book. I have not seen anything that compares to this work of academic responsible research and superb aesthetic taste. Not only does this text cover all periods of history in which the temple was part of those times, but it carefully and irenically explores the question of a future temple in Jerusalem with a fairness to all sides in the debate. --Walter C. Kaiser, Jr., President Emeritus, Gordon-Conwell Theological Seminary As former architect of the Temple Mount Excavations, following the 6-Day War, and as one who has, since then, been engaged in intensive Temple research, I highly recommend this book [Rose Guide to the Temple]. Its lavish illustrations which include color maps, diagrams and authoritative reconstructions, coupled with clear verbal descriptions, offer unique insights into the subject of the Temple. Christian leaders and visitors to the Holy Land will find it provides an invaluable overview of the topic from the time of the Tabernacle to the present day. --Leen Ritmeyer, Former architect of the Temple Mount Excavations

Randall Price (Th.M. Old Testament and Semitic Languages, and Ph.D. Middle Eastern Studies) has lived in Jerusalem and done graduate studies at the Hebrew University of Jerusalem. As president of World of the Bible Ministries, he lectures worldwide on Bible prophecy and directs tours in the Bible lands. He is the author of Unholy War, Fast Facts on the Middle East Conflict, and Secrets of the Dead Sea Scrolls.

This book was exactly what I was looking for. I already have the Tabernacle book, so this is a welcome addition to my library.

Excellent as described. I strongly recommended this seller.

When you first open Dr. Price's book there is an easy to understand timeline, outlining when each temple was dedicated. As one continues through the book, there are different sections with information and pictures that grab your interest and even help to explain things detailed in the paragraphs of text. Personally, what I find the most exciting, are the cutaways of the temples that help map out the layout, making Rose Guide To The Temple that much more inviting. Besides all the pictures, this book is easy to understand. I have thoroughly enjoyed immersing myself in history that will not just fly over my head. This book also makes history come alive more than other books because of all the archaeological facts it offers. I would definitely recommend this book to anyone. This will also be a constant item on my bookshelf.

Great study material.

This is a great sequel to the rose guide to the tabernacle and just like it it's got full colour reconstructions, overlays, bright glossy pages etc. etc. You get all the information you need on the first temple which is Solomon's and the second temple Herod's with 3D computer generated graphics which will give you an idea of how it must of looked like in it's heyday. So don't worry about any other books that are out there on the temple just read this one and this one only you won't be disappointed.

Rose guide to the Temple is an amazing book! I highly recommend this book to anyone! Its detailed illustrations, which have color maps, and diagrams, show unique and informative insights into the Temple. Dr. Price did an amazing job on this book, and his intelligence and superb research is clearly shown within the contents of this book! I have not seen anything that compares to the work shown in this book. It covers pretty much anything you need to know about the Holy Temple, and it even mentions the question of a future temple in Jerusalem, which I know I am very curious to learn more about! This book is hands down, the best book on the Temple I have read!

excellent book, quite clear in the explanations of Bible truth

If you are fascinated by the Temple Mount and the history associated with it you will LOVE this wonderful volume. The graphics are superb. It is so gratifying to have Leen Ritmeyer and others who have done the very best work over the years working with Dr. Price on this volume. I can't say enough about the quality of the graphics and the clarity of the writing. This is a must have, even if your collection is only this book! I recommend it for any student of the New Testament period or anyone visiting Jerusalem, in fact for those who will never be able to visit. A wonderful book!
