## Customer Reviews

Good read, good information. Good book to have in your personal library when you need to reach

for a reference on how to feel better.

As a Naturopath I applaud the insight and natural ways he deals with chronic disease. Yes it is treatable and the more to get the word out the better

Honest, straight forward, practical and very useful.

Words of wisdom from 100 years of practice, a must read! I would recommend the West Clinic for those who are in need of vitamin H..hope!

This is a phenomenal book for anyone looking to get healthy, stay healthy and live a vibrant life.

Perfect !!!

I work with Medical Professionals and have heard it all - the good, the bad, and how many good people are in search of a solution for a problem that won't go away. The opening pages of this book tell it all: take responsibility and understand your health, and with the right help miracles can occur. Dr. West's writing style is clear, direct and conversational. Reading the book is like have a conversation with a much smarter friend. I recommend it!

Finally a book with practical advice on complex conditions. I felt like Dr West was actually talking to me. It was a very good, easy read. I really like the reasons why some people don't get better - barriers to healing. Chapter 10 was the real deal. It outlined exactly what I needed to do to get better. I love this book. I would recommend it to everyone. I am going to give to my family doctor.
