## Customer Reviews

Helping educate musicians since 1950, Music Minus One provides performers at every skill level, an easy way to study, rehearse and perform with professional musicians in the comfort of their own homes. Offering compact discs with accompanying solo music parts from world-renowned soloists, Music Minus One albums offer a superb practice experience. We have assembled some of the most sought-after concert-pieces and duets in the easier repertoire, both with piano and with orchestral accompaniments. Yes, student level recordings also exist in our catalog, for beginners on all instruments. Perfect for auditions, contest solos and school performances as well. Imagine the joy of performing with a full symphony orchestra in your own home? Here s an opportunity only imagined until now for musicians and vocalists everywhere. Yes, we offer opera repertoire as well as the most famous chamber music pieces in this unique and extraordinary catalog we call Music Minus One. Established 1950 and still going strong! Almost one thousand albums!!

This kit provides a good tool for practicing, but I didn't particularly like the selection of pieces - many

of them are technically difficult to sing, and are not beautiful to my taste. I found only one piece that I liked (Verdi - Confutatis from Requiem), but the accompaniment is not correct in one place: the pianist drops the chord that he is supposed to hold, leaving the singer on his own, and then holds the pause longer than is written.
