Customer Reviews

Very interesting stories regarding four different Amish families. Each story was unique and covered many different challenges and opportunities. I very much appreciated their struggles and faith in God to help them deal with whatever comes their way. The author did a great job of holding my interest,

and I found it hard to put it down. Thank you for sharing your thoughts and ideas.

Each day is a new adventure in life. Trust God and follow His leadings and your life will be full

Good clean reading.

Enjoy reading these.

It is happy, clean ,enjoyable reading. It is hard for me to put the kindle down.

I have read only one of the books but have flipped through all the books and there are pages missing in all of them. I have always enjoyed reading and now enjoy these Amish books so much but missing pages makes for frustrated reading

I read a lot of Amish stories from many authors and even though they have similar styles I never bore with the new ways they are written. Emma is one of my favorite authors.

they were all great
