Hidden Wings Box Set - Books 1-4 With BONUS Novella: Hidden Wings Series Collection

Synopsis

A compilation of Cameo's Renae's Hidden Wings Series. Hidden Wings: What happens when Darkness and Light collide? Seventeen is a life changing age for Emma Wise. As her family's sole survivor in a car crash, she is left with a broken arm, and a few scrapes and bruises. But these are only outward marks; inside, her heart is broken and the pieces scattered. Whisked away to Alaska, to an aunt she's never met, Emma starts over. Secrets unveil themselves and now she doesn't even know who or what she is. A centuries old prophecy places Emma in the heart of danger. Creatures of horrifying and evil proportions are after her, and it will take Emma, her aunt, and six, gorgeously, captivating Guardians to keep her safe. But, if she can survive until her eighteenth birthday... things will change. Bonus Material: Hidden Wings Inspired Poem by Amber McCallister. ***BONUS MATERIAL*** Descent, A Hidden Wings Novella is included: In the beginning... the start of it all. Deceit. Betrayal. The Fall. Take a journey back in time, to a place where Emma's lineage begins, and where answers lie in unraveling secrets of the past. This is a story of forbidden love, an unbreakable bond, and the start of a dark adventure that will fill your heart with many emotions. Broken Wings: Emma's world is falling apart, and Kade, the only one who seems to hold her together, is missing. With death lingering right outside their door, decisions must be made before it's too late. The Midway has refused to send help, so they are left to seek out the only other who can stop Lucian. A perilous quest sends Emma and a few Guardians into the Underworld, where the unimaginable abide, to beseech the Prince of Darkness himself. Lucifer. Now, they must endure the deadly levels of Hell, which not one mortal or immortal has ever survived. Prepare for love, loss, and the unexpected. Tethered Wings: Back from their quest into the Underworld, with the threat of Lucian hanging over head, Emma is faced with yet another problem - the Immortal Bond. The bond surpasses any reason and is something so complex, not much is known about it. Once an Immortal Bond is made, it is forever. A conjoining of two fated hearts, destined to be perfect companions. Emma's heart, already bonded with her Guardian, Kade, has unexpectedly and inconveniently bonded with Ethon, the son of Lucifer. Now she is faced with a decision she doesn't want to make. Both want nothing more than to love and protect her. With the arrival of new company and old friends, things are bound to get heated. Gilded Wings: As the final battle draws near, Emma finds herself bound under an unbreakable oath. She must seal the bond with Ethon before her transformation, or risk her life and the lives of those she truly loves. Who she wants is no longer an option. Lucian has unleashed troops of evil beasts from the Underworld, making it impossible for Emma to leave the protective barrier of Alaine's home. War is inevitable. The Guardians will need to stay and fight their ground, hoping Lucifer keeps his end of

the deal and comes to their aid. In this epic series conclusion, burning questions will be answered, lives will be lost, and sacrifices will be made. But who will survive, and at what cost?

Customer Reviews

This series was amazing! From the first page to the last I was held captive and hated to put it aside. I absolutely loved each and every character. They were superbly created and just awesome to get to know. We lost so many loved friends along the way which lead to huge tears, but these goodbyes totally enhanced the story. Every conflict was resolved, absolutely no part of the plot or detail was left astray. I'm ever so glad that I was introduced to Ms. Renae. I cannot wait to jump into her next series! She truly is a genius! The careful attention to the descriptions and enchanting dialogue was just heavenly.

I stayed up all night reading this. And I sat there giggling, laughing out loud, my heart might have

stopped a few times, and I cried like a freaking baby when certain things happened. I think I might have cursed the author for giving me all of these emotions and then applauded her for the very same thing in the same breath!! lol You will love this box set. Especially Emma's friends who fight like siblings. And the evilness of Jeremy when Lia won't wake up in the mornings, he pours water on her face!! HAHA It's so much funnier the way Cameo Renae tells it, so you'll have to read the books!! You'll love them.

I dragged my feet to start this series - because a four book series just seems SO long. That being said, I zipped through these in less than a week because they were just that good!! I loved the mystery of the double bond, the unknown of the nephilim and the character development was fantastic! I fell in love with each and every character throughout the series. I'm a Cameo Renae fan for life! I would highly recommend!!

I love this series! So glad I picked up the box set, I spent three days with just this set, consumed by Emma's journey! This is an amazing coming of age story with brilliant mythology of Nephilim interwoven seamlessly. I laughed and cried and held my breath in turn, guessing but never certain of any outcome.

This is a fun story and I will buy the next book mostly because I hate leaving a story unfinished. I do feel however that this is definitely a story directed toward young girls. An over abundance of sickly sweet starry eyed romance and repeated character build up made it a little hard for me personally but I like the story idea as a whole. The main reason for the 4star rating was the numerous grammatical errors and the handful of inconsistencies. Primarily the changing of a character's name spelling. Some might think that's a petty complaint but a story is much more enjoyable when there are no potholes to navigate around during the journey.

Being swept away into such a magical and scary place was amazing. The characters were a piece of heaven and I loved them all, Dom being one of my favorites, everyone needs a Dom in their life. I am excited to start the 5th book!

I literally would take my phone in the bathroom with me at work, so I could get in a few moments of reading during the day! There is a real connection to the characters and their plight. I think everyone has all known a 'Dom' in our lives and his antics made me chuckle out loud. This series has under dogs,

and evil villain, action, tension, a love triangle, devotion and powers. What's not to like.

wonderful to the last word printed.
