Guardian: Book 6.5 (A Rylee Adamson Novel)

Synopsis

WOW!! I loved this novella. It's focus is on Rylee and Liam, which is exactly what I needed. After reading Tracker (book 6), where they are apart for most of the book, it was fantastic to have a book dedicated to mostly just them. We get to witness their relationship in more detail and feel the love they have for each other grow even more. It was heartwarming, tender and emotional. There are a few surprises that will have you oohing and awing!!- Love To ReadFrom HiJinks Ink Publishing and Shannon Mayer comes The USA Today Bestselling RYLEE ADAMSON NOVELS. With over 1.5 million books sold, Shannon Mayer proves once again she can dominate her genre right out of the gate."My name is Rylee and I am a Tracker."When children go missing, and the Humans have no leads, I'm the one they call. I am their last hope in bringing home the lost ones. I salvage what they cannot.After months of danger, running for my life, and dealing with one crisis after another, I'm finally getting that vacation I deserve. I even get to take my favorite guardian with me for some serious one on one time.Of course, when it comes to my life, even a vacation can turn ugly.And when I say ugly, I mean monsters, magic and death. Just another day in the life of a Tracker.

Customer Reviews

But hey, they tried. This is a Novella that's supposed to be read between books 6 and 7. I usually don't bother with short in-between works like this, since they generally aren't all that important to the overall series (and besides, I really don't care for short books). In this case, though, I'm glad that I did. This short story showed some much needed romance between the lovers. Yes, there was still a lot of action, because it seems like Rylee finds trouble even when Fate isn't forcing the issue. But it also reiterated the prophecy details that have unfortunately become crystal clear to everyone except Rylee. What really made it worthwhile to read as a short story was the introduction of a few new characters, plus a couple of big surprises (which I definitely won't tell you about--sorry!) You should read it for yourself, because it's worth the time to do so, and worth the cost of the book.

I just finished book 6.5 Guardian, I can't believe they just keep getting better and better. I was a HUGE Anita Blake FAN THE first ten books in that SERIES are wonderful and I have read some of them more than once, but as the books progressed they lost the story and the characters were just flat. I bought every book hoping for the best but it never came AFFLICTION WAS THE LAST STRAW NO MORE ANITA BLAKE FOR ME. I set out to find another series I could enjoy and boy did I find it. You SHANNON MAYER ARE MY NEW FAVORITE AUTHOR. I bought all nine books and it took me three days to get through six and a half. books I can't stop reading. My eye's are tired and dry and I don't care... But then I read there is only going to be TEN books in this series? Oh please say it isn't so, my HEART will be broken. I will read everything you put out, but this SERIES IS NEAR AND DEAR TO MY HEART. I love everybody in it even some of the bad guys. I want to slow down and savor the last books but I can't. Unforgettable characters like RYLEE AND LIAM AND ALEX AND EVEN MILLY stay with you, I laughed and cried and just enjoyed the ride, I will be sad when it ends. A BIG HUGE FAN. DEBRA R.

A nice romantic interlude for our favourite couple, Rylee and Liam. At least it was supposed to be, but predictably, our lovebirds get involved in some action packed mayhem. I like the direction of the the last couple of books after the darker Book 4: Blind Salvage. It was great to have Rylee and Liam interact again after Book 5: Tracker had them pursuing separate story lines. Normally short stories leave me cold, but these between book novellas help to fill in the gap nicely. This makes for one

happy reader..

I've read 1-9 including all the shorts and this is one of the few series that I've re-read, and will re-read again; one of the few that I'm taking the time to leave a review for. The character development and interactions are superb, as is the world development. Not only are the main characters well done, but all the secondary characters are amazing. I adore all of them good and bad: Alex, Dox, Doran, Milly, Feris, etc etc. The plot is well done, and the subplots don't take away or confuse the main story line. Absolutely worth your time to read!

This story was a little slower paced but being a fit in between Shannon's usual novels 6 - 7, it was a wonderful story and such a happy and tearful ending! Rylee and Liam are trying for a short vacation near a wolf pack in Russia. Liam learning some more about being a Guardian wolf and Rylee looking for a lost child. As they say "no rest for the weary!" The story moved quickly and to a heart warming ending.

WOW!! I loved this novella. It's focus is on Rylee and Liam, which is exactly what I needed. After reading Tracker (book 6), where they are apart for most of the book, it was fantastic to have a book dedicated to mostly just them. We get to witness their relationship in more detail and feel the love they have for each other grow even more. It was heartwarming, tender and emotional. There are a few surprises that will have you oohing and awing!! There is action of course, because Rylee can't go anywhere and not find some kind of trouble brewing. I also loved getting to learn, along with Liam, about his role and the power he has being the Guardian Wolf. This is a must read! Read it between books 6 and 7 of the series.

Wow, finally Liam and Rylee got to be off together without all of Rylee's mixed family! It was a truly touching story. Thank you so much for that, especially since it has been foretold of the Guardian's death, as we all know. I still hope that he won't be killed in the end, no matter what has been foretold, because to have a love like that and to lose it would absolutely destroy Rylee. Heck, if that happens I'll cry buckets too! I have become so invested in this story, it's hard to wait between books. I read this and it's like I'm in the story, like a movie I'm watching instead of reading.. I would recommend this series to everyone, it has a bit of everything. Thank you Shannon, I've spent many hours happily reading your books! Keep them coming please!!

Guardian is a novella set between books 6 & 7 in the Rylee Adamson series by Shannon Mayer that gives some insight into Liam's condition as a guardian and Rylee's longed-for vacation. Visiting Peter's peaceful werewolf pack in Russia, Liam can finally learn what it means to be the Wolf Guardian, or the Great Wolf. Peter knew the last one, see. And Rylee can have her vacation, just relaxing in the forest with the wolves and Liam. Until they are attacked, and the wolves won't fight back. Determined to save the pack, even if they won't save themselves, Rylee and Liam set off to find the Hunters and put a stop to this whole mess. But they might just accomplish more than that, and find themselves along the way.
