Customer Reviews

OMG! Ms. Jasper has really done it with this riveting story of love and new found discovery. Zane and Dana are two broken people who find each other and love in an unexpected time in their lives. Zane is war torn veteran who is deserted by his wife. Dana is a product of child abuse which lingers into adulthood. Zane never knew he would find true love when he walked into Dana's yarn store. Dana's world was rocked when she found a true and abiding love with Zane. This story has some of everything in it, love, action, drama, compassion, romance, violence, and the list goes on. Zane and Dana are two halves of a whole. The story is a page Turner from the beginning to the end. It would be awesome to have a follow-up or a novella about Zane and Dana. Great book!

I received an ARC of this book for an honest review. I love the writings of Jamila Jasper. Her characters really pull you in to her story case in point Zane on returning to his home town after serving in the Gulf War finds his home empty wife gone only leaving a vase holding a letter under it stating that she has left him to have the baby of his best friend. On the other hand Dana a victim of incest at the hands of her step father and his constant presence in life. The two meet and bond begins. This is a touching story that makes you want to scream and yes want to do bodily harm.

I love Jamila Jasper's work! She can write a story that will suck you in immediately, no matter the topic. I got a love story with this book. Of course, it was steamy and entertaining. I loved it. I stumbled across her books and I haven't regretted reading any of them. I'm an official JJ fan!

It was sad about how the mother didn't hear the pleas of her daughters she was more stuck on a man than the voice of her children Cleo did right to leave to have a peace of mind Dana should have left but she stood her ground about a bully and did what she had to do to protect herself.

Zane and Dana are wounded by their past. Their relationship is a little rocky at times but love wins in the end. Their old foes try to intervene but lost. Their chemistry is undeniable; however, they are each other missing piece in life.

I had to give this a 5***** to see the life Dana had to endure but she had a pure heart forgiving and full of love. Zane knew he had a good woman when first saw her their love was true !!ve it

It was a very good book from the beginning to the end I would recommend it to anyone who enjoys a good hot steamy interracial love story.

Story was surprisingly different from the title in a good way. A story of surviving tragic circumstances in our lives and eventually finding the happiness we deserve. An enjoyable read.
