Cornered: The Painful True Story Of My Child Abuse Hell (Child Abuse True Stories)

Synopsis

Born in 1975, Louise was living a happy, normal life as the much adored only child of two loving and hard-working parents. But then the tragic deaths of her father and grandfather within two years of each other turn her life upside down. Having moved in with her mother's parents after the death of her father, Louise finds that her grandmother's increasing reliance on the local church for comfort after her husband's death draws a soon to be unwelcome guest to the family home: the verger, Mr. Jarvis. Whilst outwardly paying attention to her widowed grandmother, he also seems to be focussed on Louise herself, and abuses his position of trust, both at the church's Sunday school and in the family home, to force his unnatural obsessions on her. Even after Louise's mother remarries and she can finally look forward to moving away from Mr. Jarvis, Louise must endure one more harrowing attack before he is finally caught out. But even then, with child protection teams still very much in their infancy in the early 1980s, Louise still lives with the consequences of her unstable childhood. **WARNING:** This book is based upon a true story of child abuse, and as such contains passages that some readers may find disturbing.

Customer Reviews

I had so hoped to learn more about the impact of not only Louise but her family and that sick pig! I only hope as life continues on Louise will continue to share her story so that people such as myself a victim realize we are not the cause of such actions.

A very suspenseful book with a great ending. I really liked reading this story, even though I wish no child would ever go through what the author did.

No one has the exact same experience! Each of our lives that were altered by abuse of ANY sort can relate ...only to some degree. Abuse is abuse. Whether it be only a word or a horrific "unspoken of" crime. You can feel the hurt in this little girls heavy heart

so many blatant errors in proofreading - unbelievably distracting from the story. Sad story and often times a bit disjointed.

Very good book

Sad story but couldn't put it down until I finished. Very graphic! Left me with a very uneasy feeling. I believe she could have been helped sooner if she had told someone.

Louise, be proud that you could do this! Courage is the word, and let's hope more people can come to terms with their abuse as you did. This does not condone it by any means!! A good, not so long story that everyone who is struggling to expose their abuse, should read as encouragement.

It was so sad I wish I had been there to protect her . I hope she is doing better today .
