# Travel Dominican Republic 2012 - Illustrated Guide, Phrasebook & Maps (Mobi Travel)

## Synopsis

This illustrated Travel Guide is designed for optimal navigation on Kindle and other electronic devices. It is indexed alphabetically and by category, making it easier to access individual articles. Articles feature information about attractions, landmarks, districts, transportation, cultural venues, dining, history and much more. Addresses, telephones, hours of operation and admissions information are included. The guide is complimented by clearly marked maps that are linked to city attractions. The interlinked phrasebook includes over 1,000 phrases and a pronunciation guide. NEW FEATURE: The attraction articles now include links to Google Maps. On a dedicated electronic reader with a slow connection and a primitive browser, Google Maps will display the attraction on the map along with metro stations, roads, and nearby attractions. On an internet-enabled device such as the iPhone and the iPad, Google Maps will even show you the route from your current location to the attraction you want to go to. With this travel guide you can turn some eReaders into audio guides. For example, on the Kindle, just open an article and click Shift+SYM to activate text-to-speech. Put the speaker on the back of the Kindle against your ear and enjoy your virtual travel companion. Press Spacebar to pause/resume text-to-speech. ## Customer Reviews

I felt this was the best e-book travel guide I've purchased. I liked how it linked you to other sites for more information. It was easy to use, too. My only complaint was the phrasebook section. It had the pronunciations of probably 60% of common Spanish phrases, but not on the other 40%. The text to speech on the Kindle doesn't work very well with the Spanish, either. It was worth the price, though!

I found this book to be incredibly helpful in not only conveying the history and culture of the Dominican, but also providing helpful phrases to assist a non-Spanish speaking visitor in getting around. Also, being able to download to a Kindle means it can go everywhere with me in a slim package.

Excellent book for all the travel information I got for cruising to the Dominican Republic. The format was great for my Kindle. It even has a built-in phrase book! Has complete information on all the cities, national parks, and attractions. A great planning guide (at a great price!) for your trip to the DR!
