Workbook/Laboratory Manual To Accompany In Giro Per L'Italia

Synopsis

This new beginning Italian text is a brief version of the best-selling "Prego!", perfectly designed for those programs that are interested in this successful four-skills and communicative introduction to Italian language and culture but whose curriculum necessitates a briefer text. In addition, the communicative activities and even more streamlined vocabulary and grammar presentation have been re-organized into a four-part chapter structure including a beautiful, new mid-lesson cultural spread.

She was a co-author of the first and second editions of In giro per l'Italia: A Brief Introduction to Italian.

Great workbook and exercises. The order is convenient and the examples are very good too! Buy together with the student edition for a great Italian course!

This workbook was sold as having no markings in it, however the entire workbook was written in and could not be used. I had to return it.

Great book, great condition.

Helpful for amateurs. Writing helps out a lot more than you think
