Customer Reviews

Brock D. Eastman likes to write, but his main focus is on his family. They reside at the base of America's mountain, and are learning to call Colorado home. However, they sometimes need to visit the comfortable cornfields and hospitality of the Midwest, especially during the harvest. Brock is Product Marketing Manager at Focus on the Family, where he has the privilege to work on the world renown *Adventures in Odyssey* brand, a show his dad got him hooked on when he was little boy. He started writing *The Quest for Truth* series in 2005 and 5 years later, with his wife's encouragement, signed a publishing deal. In that same year he signed 2 additional contracts, giving him 9 books releasing in 2.5 years. YIKES! He's always thinking of his next story and totes a thumb-drive full of ideas. --This text refers to an alternate Paperback edition.

I loved how the readers can read what happens on Obbin's side of the story and get to know him a bit more. Another great book from Brock!

I honestly wasn't sure what to expect when I started reading this book, but what I got was another fast-paced, interesting story that sucks you in, just like all of Brock Eastman's stories! Mia190
