Customer Reviews

"It's a gift that few photographers have: the ability to capture the warmth, sexuality and intensity of a beautiful woman in her prime. It's this ability that makes Holly a standout in her field." -

Larry Flynt

Holly was born on Sept. 5th 1978. Holly took her first photography course at the age of 12. After graduating from high school she got a job at the film counter at Samys Camera in Santa Barbara. Soon her job there encouraged her to attend the prestigious photography school Brooks Institute. After a year and a half of study, she decided to move back to LA where she enrolled in and graduated from UCLA in September 2003 with a degree in World Literature. After that Holly immersed herself completely in photography and has been working as a contribute writer for several adult magazines.

Not great. The image on the front is misleading. Most of the images are more BDSM-ish than pretty-girl-in-lingerie. Many of the models are dressed in latex/rubber, if you're into that, but nothing spectacular. Overall, the models are meh and many of the settings distract from the model or are just gross.

I love this book! Really great photographic quality! The book production itself is really nice, on top of interesting artistic photos of beautiful girls in sexy lingerie.
