## Customer Reviews

This book is very well made, the colors are wonderful, the content is interesting and fun, the use of both English and Italian is great, and I love that a CD was included. I have yet to listen to it but I can assume by the quality of the book and the songs lyrics included in the book that it will be just as wonderful! I highly recommend this book!

We listen to this CD throughout the year. The songs are outstanding - the history behind the traditions is very interesting. I'd give this book six stars if I could, I love it that much. This is a top-quality book for learning Italian.

I saw this book and could not wait to get it for my little girl. Her grandparents are all Italian and my husband and I can speak it as well. We can read it to her in English and Italian and teach her some of the traditions we know of and the songs are great. Must have if you are of Italian descent or just

want to preserve some of those good old fashioned traditions. WE have enjoyed it.

I love this product not only does it teach my daughter some of her Italian Heritage while living in the states but it gives the lyrics LOVE IT

This will be very helpful in teaching my granddaughter Christmas Italian songs

What a book. It brought so many memories back of my childhood when my mother was teaching me all of the traditions in Italy for the holidays as well as the songs. The CD is conveniently placed in the inside cover and the songs are song beautifully.

While we haven't used the book yet with our baby, we played the CD over and over in the car. It has all the detail of Italian style Christmases read in a story fashion along with beautiful songs, including Santa Lucia. It was very enjoyable.
