Customer Reviews

My kids loved this!!!

I totally loved this unique book by one of my favorite Kindle authors! I'm usually really cynical when rating stuff, but when it comes to Crafty Nichole I give five stars every time. I noticed that she only has one "Awesome Reviewer" so I'm going to try to review as many books as I can. This one was particularly good in the sense of not being what you would expect. I imagined that Bun-Bun (I couldn't stop laughing over that name) was a mean and vicious Killer Bunny who would stop at nothing to eat all the villagers' animals and I really didn't see the zombie trick coming! Please make more books like this!

this book is so awesome!!! i just think bun-bun will be so adorable. i like your books a lot just please make a angry alex book10. this book is soooooooo interesting! maybe he figures out that the witch in book2 has a bunny, not a killer one but a plain one she is trying to put a powerful potion on. maybe not the best idea. then steve and alex tries to save it? it may not be the best idea but it might workp.s this is my moms acount.p.p.s i hope you will think about this idea

Wow. Bun-Bun: Zombies? YUM-YUM (plz add me to awesome reviewers list, also have bun bun meet a zombie horse the he eats it and it turns into Skelton Horse! Thx For Making These Book CN. Bye.

I was looking for a good book by Crafty Nicole ehen I found this. I saw he second book and decided to read the first book. It was a good one! This is a book where you should try to make a long series like Diary of an Angry Alex. I am looking forward to it. Thank You!-----Dude89
