Customer Reviews

“This guide to the eclipse is the definitive handbook for everyone considering Nebraska as their viewing location and will help visitors and locals effectively plan and maximize their minutes in the darkness.” - Loren Nelson, Teton Photography Group

This is a once in a life time event for most of us. I have been challenged with where should I go to get the best viewing, what do I need to bring to make it safe to watch, and how do I protect my camera from damage. I researched on the internet, but some much of what I found was not a down to earth, every man's information help. Then I found the Nebraska total Eclipse Guide, and was so excited. It has everything from the best location, to safe camera usage, to safely watching this amazing event. If you live in the proud state of Nebraska, then this is the guide for you!
