## Customer Reviews

It's a very great guide for everyone, especially for those who are dealing with Hypothyroidism. Unfortunately, more and more people these days seem to be suffering from thyroid problems, myself included. This book has a lot of information from symptoms to causes, treatment detoxing and what to eat. It is very comprehensive and has a lot of information. This book gave me a deeper knowledge about this condition including its types, causes, and symptoms. And a very helpful book to effectively overcome thyroid problems and how can it be possibly treated. I recommend you try to read it now.

This book is a must read for newly diagnosed hyperthyroidism or Graves Disease patient. I gave this book a 5 star rating because it helped me put into perspective all my symptoms, hypertension along with high heart rate. I especially now understand the difference between hyperthyroidism and Graves Disease which I have. This book will help you make an informed decision about your treatment protocol. I feel confident about the questions that I need to ask the doctor about my T3, T4 and TSH levels. Buy this book, you won't regret it.

I have a cousin who has hyperthyroidism and I know how difficult it gets to deal with it sometimes. This is a wonderful book that will surely help all the thyroid patients to treat or get effective relief from this thyroid problem easily. The tips and methods are worth trying and will surely recommend this to

my cousin Jane.

This chapter - Chapter 3 - Effective Natural Treatment for Hyperthyroidism is really what I am after for and I found it interesting to find these advises. I hope soon she can be healed by this.

I found this information and more for free by searching the internet.

Good information for anyone interested in taking steps to regain control of their hyperthyroidism. I definitely recommend this book.
