Vietnam Backpacker Photo Journey #4: Caving Phong Nha

Synopsis

Do you need a humorous break from the grind while touring the world's largest caves? This book will inspire your wanderlust to take an amazing adventure across Southeast Asia as a Vietnam Backpacker! If you are planning a trip to Vietnam or just daydreaming of the adventure, this book will give you an insight into what 'real' backpacking is all about -- chasing the dream, accepting new cultures, eating strange food, jaw-dropping scenery, philosophical insights, and being comfortably lost! Lighting your path, this adventurous story takes you with an experienced traveler to visit exotic locations across Vietnam. In this fourth volume, I will be going to Phong Nha National Park to discover its legendary caves with a hilarious new American friend, who loves to share jokes. Seth and I will tour the countryside on his motorcycle, go zip-lining into the muddy depths of the Dark Cave, and be awe-struck by the stunning interior of Paradise Cavern. Next, we sail a dragon boat down the Son River into Phong Nha Cave and then visit an infamous pub that allows customers to decapitate their chicken of choice for dinner. Text excerpt from page 22: "We stepped through the cave entrance and found ourselves inside a huge cavern that could have parked several jumbo jets. After my eyes had adjusted to the inky-black environment, I was awe-struck by a hypnotically beautiful ceiling: a surrealistic artwork of mineral-staining to rival Michelangelo's talent. After descending a five-story building set of wooden stairs to the echoing tang of our footsteps, we reached the belly of the cave. Walking along the boardwalk, I felt dwarfed to a tiny mouse's perspective at the base of 150-foot tall towering stalactites. Throughout this eBook, all of these amazing sights are presented as full-color photography to place you in the shoes of the author. DOWNLOAD Your Copy Today! I traveled Vietnam and never came across these caves. It is likely I possibly never saw a lot of the things Scott saw on his travels. Will definitely be reading more!" Customer Reviews

The author is an experienced world traveler who truly enjoys meeting new people and viewing the wonders our world has to offer. This book is about traveling to and trekking through the famous caves of Vietnam. The pictures are beautiful, revealing the ancient landscape and his traveling companions as they journey through this marvelous country. He touched very briefly upon the history of the caves that were utilized during the war to hide enemy troops. Being a history buff, I found that little tidbit to be a tease and wanted a more detailed backstory. However, this is not a history book. It is a travel journal written with humor, illustrated with excellent photos, and entices you to grab your own back pack and head out into the world to see for yourself. I look forward to his next adventure!

This lighthearted journey through Vietnam caves and country side provokes the desire to appreciate the landscape and culture that surrounds us all. The sense of adventure is evident; it draws you closer to your own dreams. Well done.

The pictures in this book are fabulous. This one has a few jokes in it, but the trip's narrative by Scott makes you feel like you are sharing the adventure with him. I cannot wait to see where Scott goes next!

Love going on your adventures through Vietnam with you. Your pictures are vibrant and awe inspiring. Your corny jokes gives it that extra special personal touch. I can not wait to see more from you!! Keep traveling my dear old friend

Scott David has the most amazing adventures, and we're all invited to ride along vicariously. Exotic locales, stunning photos and humour all make for a journey well worth experiencing!

The photography was amazing as was the narrative! Makes me want to travel there even more now. It's a fun account of one of the authors many adventures around the globe. A real globetrotter! I would however like more information on locations and cost of the hostels, restaurants and sites etc. Otherwise it was awesome! Thank you David for bringing me closer to Vietnam and its incredible beauty.

Loved this vignette of Vietnam. The author has a very personable way of writing and the photos were exquisite!

I enjoyed this quick read. Lots of gorgeous pictures of the Vietnamese landscapes, caves, and people. Very worth this brief glimpse into a little adventure.
