Within the pages of this plainspoken Bible, young readers will find a year's worth of teen-written devotionals, one for every day of the work week. For example, in the opening section on Genesis, teens will find a shaded box for Monday's devotional, asking the reader what it means to be made in God's image. "Do you ever put yourself down for the way you look? What are you saying to God when you put down what he made?" Little boxes of text are inserted throughout the Scripture, where

teens either suggest devotionals or discuss themes in the Bible. In another box, teens comment on the relationship between Adam and Eve: "The 'two becoming one' thing involves a lot more than sex. It involves two lives becoming one--two stories becoming one." The language, graphics, and frank discussion in this teen-oriented Bible make it a great resource for youth groups. It also makes a loving gift for teenagers who need help understanding how the Bible translates into the stressful world of adolescence.

I purchased this for my 12 year old son. The cover was different than the one pictured (it looked like the picture for the paperback version) but I liked it better. There is nothing not to like about this Bible. The extra features and devotionals are good and age appropriate. I think this will help my son grow deeper in his faith and help him as he learns to read and study the Bible himself.

As a pastor, I looked at a number of young people's Bibles to give 7th and 8th graders to use in Confirmation Classes. The Teen Devotional Bible was by far the best I found for this age group. The devotions are written by 12-15 year olds, and the many helpful articles and blurbs - such as those headed "Huh?" - are very age-appropriate. The only change I would make would be to include some maps in the back. Overall, an excellent, and more importantly, usable, Bible for young teens.

I purchased this for my 13 year old son. It has daily devotionals that relate to teens really well and also has explanations of words and passages on each page. This is the same Bible I used as a teen just a different case.

Bought this for daughter's 8th grade graduation. Received it and it's used. Used with sharpie all over the front cover, pages folded, cover looks like a pack of dogs were using it as a toy. Needless to say, she didn't get a gift for graduation. Completely disappointed.

I really love this bible! I had it before but it got ruined so I searched for weeks to find this exact bible!

I'm 26 yrs old but this teen devotion bible still benefits me as a "baby Christian" it explains the books and different chapters so you always know what's going on. Book came fast and in great packaging.

Love this Bible! It is written so clearly.

Love it. Spreading the Word of God to teens in a easy, fun way. Attractive and colorful. Eye catching.
