# The Truth About Forgiveness

## Synopsis

"The greatest measuring rod of love in the life of a Christian may be forgiveness, because God showed His love to us in terms of forgiveness." —John MacArthur Does anyone really want to forgive? Or admit that we need forgiveness? Whether we're giving or receiving, forgiveness is hard. It seems unfair. It feels unnatural. And as best-selling author and pastor John MacArthur demonstrates, forgiveness apart from Christ is unnatural. It is only as we understand our need, Christ's power and example, and what it really means to love that we can embrace two of the most liberating acts of love: forgiving and being forgiven. The Truth About Series For decades MacArthur has encouraged countless Christians to develop a deeper understanding of the Bible and a greater respect for God's truth. In The Truth About series, he now gathers his landmark teachings about core aspects of the Christian faith in one place. These powerful books are designed to give readers a focused experience that centers on God's character and how it applies to their daily walk of faith.

## Customer Reviews

This is a short biblical account on the forgiveness of God towards us. Through biblical exegesis, Pastor MacArthur teaches us the meaning of forgiveness and what took Our Lord to achieve that. Even though it is a short book, it is a very important tool in the Christian life. Another great Christ centered book by Pastor MacArthur.

An excellent book about forgiveness. The ability to forgive can make a person's life much more wonderful. You are not carrying heavy burdens or bogged down by dwelling on the past - things you cannot change. MacArthur offers Christ's way of forgive so you can show others the awesome forgiveness, grace, and love of Jesus Christ.

John MacArthur is a true man of God who studies and teaches with more thoroughness than any pastor I have seen.

Dr. MacArthur is always clear and precise in his teaching, and this book is no different. The Truth about Forgiveness is thought provoking, and convicting.

Expounding on the prodigal son parable was awe inspiring. To think that the God of the universe waits and watches for us to come to Him in repentance. Awesome!

Great book.

Very clear presentation of the love of God in the person of Jesus Christ. The author shows clearly that we must come humbly to Christ, turning from sin and self-righteousness. Yielding to God all that we are and have in order to enter the narrow way. And that having been forgiven, we should be those who forgive. Very challenging book.

A must for every Christian.
