## Customer Reviews

This was going to be a gift for a friend of mine, but after flipping through the pages, I will not be giving this to her. Over half this book are coloring pages of an anime type girl, with no relation to psalms.

There are exactly 3 coloring pages with psalms. And a hand full of note pages that read "prayers and devotions". DO NOT BUY THIS PRODUCT.

The black backgroun pages are great for seniors or for anyone that just wants easy coloring because you can't "color out of line". With seniors, I use Egg-oh hand grips with Crayola markers and a whole world is opened up for them, even with arthritis.

Though the scriptures included are attractive, half of the coloring book is dedicated to "prayers and devotions" with lines like a journal page. Though the idea is interesting, including that aspect of the product in the description would have been helpful. I just wanted a coloring book because I already have a prayer journal.

Beautiful coloring book, you can rip out the pages and give them as gifts. Very inspirational and even has space at the end for devotionals!

Nice book to color in

I got these as gifts for my coaching clients. They loved them.

Very pretty and fun
