I ordered two of these, and I only received one. I ordered a second one today since we need it by tomorrow. I want the product and the shipping cost reimbursed for this rush order

Pretty cover. Not as nice as the laminated popup maps made by another company. Better than not having a map. Cell phone apps are fine, but I like an overview of the city.

Maps are so easy to use and they're compact so it's not a big production to look at.

This map was very cool as it was easy to open and close without effort. Showed the highlights of the city and small enough to fit in your back pocket. All maps should be so neat!

Getting ready for a trip. Nice size and light weight.
