This was a gift. I received the same book on President and Mrs. Obama in 2010. It is a wonderful

book filled with photos and pockets containing letters, speeches and invitations. Thought I would give this as a gift to a wonderful family who helped decorate the White House for Christmas in 2014. This family has added this book to the plethora of other memorabilia of the President and Mrs. Obama. I was lucky enough to find it on and wish it were in print once again.

Vault was a little more worn than I expected, I had to glue some of the envelopes back in place. But I collect Obama memorabilia, so I am grateful for it and the price was decent.

History made and delivered. Great for the Table or book shelf

Loved it

Great set. Fast arrival

I rate this product a 3 simply because the product was advertised as new, but when I received the merchandise the outer box was bent and some of the glued inserts were falling apart. It just didn't appear to be new to me.

great depiction of this historic president and Family worth saving for my Grandkids which is why I bought another for me !!!!

All the pictures and Memo, Cards, and information that was in the Double Vault of all the President's was an amazing thing. I am 70 years of age and knew nothing about all the information that was in the two Books.
