Saw in a store for more expensive price and glad I checked 's prices first! (much cheaper!) Arrived in timely manner and packaged well. Love the additional information the author includes for the psalms and proverbs. I learn a lot from reading this author compared to other authors, and she

makes learning from the Bible enjoyable and applies things to everyday life circumstances. Great book for gift giving too!

I bought this for a hostess gift! I enjoy the Amplified version and the comments by Joyce Meyer cause you to put what you are reading into your daily life!! Read a Proverb a day and 5 Psalms and you can read it every month so it can really get to be a part of your life. I am buying this book for my daughters for Mother's Day.

Deep, refreshing and an excellent guide to enjoy and better understand psalms and proverbs. Excellent for praying, worshiping, and healing. Isamari Cruz
