# Our World Today, People Places, And Issues, Student Edition (GEOGRAPHY: WORLD & ITS PEOPLE)

## Synopsis

New Page 1 OUR WORLD TODAY: PEOPLE, PLACES, AND ISSUES MAKE THE WORLD AN UNDERSTANDABLE PLACE FOR YOUR STUDENTS With its unique integration of culture, history, economics, government, and geography, Our World Today challenges middle school students to explore the issues and challenges of each region. Co-authored by the National Geographic Society, the program is loaded with motivating activities and the skills, reading strategies, and content that will engage your students. National Geographic cartographers created every map and atlas, so you're assured of pinpoint accuracy. A new and exclusive video program from National Geographic provides stunning visuals and allows students an up-close look at the places they're studying. Features Reading Success is a High Priority Built-in active reading strategies, such as Foldables® Guide to Reading, Reading Checks, and Reading Review, enable all students at all levels to read and understand the program's content. New and Exclusive! Foldables® are innovative, student-made three-dimensional graphic organizers used as reading, assessment, or study tools. Students of any ability can create Foldables, and hands-on experience immerses students in learning.

Very Disappointed & a waste of money. Fluff with almost no content. I highly recommend the Usborne series for their high content and quality. We started this book as a homeschool text. At first we were pleased, then I realized this was political fluff and hardly any information about people groups that my 5th grader could connect with. My preference is for knowledge and understanding of people groups their history and culture so my kids can have a deep understanding. This book falls so far short and couldn't even be called educational. But like I said I have high standards. The Usborne series are much, much better.

very interesting and informative book for students. it has been very useful for knowing and understanding what happened in the United States in the past

Great book, Great condition

Dated info, but I needed this for my class.
