Tommy's Honour: The Extraordinary Story Of Golf's Founding Father And Son

Synopsis

The definitive account of golf's founding father and son, Old and Young Tom Morris. For the first time, the two will be portrayed as men of flesh and blood – heroic but also ambitious, loving but sometimes confused and angry. Two men from one household, with ambitions that made them devoted partners as well as ardent foes. Tommy's Honour is a compelling story of the two Tom Morrises, father and son, both supremely talented golfers but utterly different, constituting a record-breaking golfing dynasty that has never been known before or since. Father, Old Tom Morris, grew up a stone's throw away from golf's ancestral home at St Andrews, a whisky-fuelled caddie, a wonderful 19th century character who became an Open Champion three times before running the Royal & Ancient, then sole governing body of the game. His son, Young Tom, arguably an even more prodigious talent than his father, was a golfing genius, the Tiger Woods of his era, who at 17 became the youngest player, to this day, to win the Open Championship. He then went on to win it four times in a row, an unprecedented achievement. On one occasion, father and son fought it out at the last hole of the Championship before the son finally triumphed. But then came the pivotal day that would change their lives forever, the death of Young Tom's wife and unborn child. The cataclysmic events of that day eventually lead to Young Tom's tragic death, aged 24, with his father living on for another 20 years in deep remorse. So on the one hand, you have the story of one of the most influential figures in the history of golf, a pioneer in the birth of the modern game and of Scottish and Open Championship golf. And on the other hand – and this is the real appeal of this book – you have an extraordinary father-and-son story. It's for every son who ever competed with his father, and every father who has guided his son towards manhood, then found it hard to let go.

Customer Reviews

An interesting look in to golf at this time in Scotland.Gives you a new appreciation for all of the contributions Old Tom gave to this great game.Many of which are used to this day.The story was well written and I also look forward to the movie adaptation.

A great read. It will appeal to those with an interest in professional golf's beginning, It provides an interesting social history of Scotland in the 1800s. and is an incredibly sad story that will bring a tear to the eye of even the most cold hearted.

EXCELLENT BOOK !!! I LEARNED MANY THINGS ABOUT THE EARLY YEARS OF GOLF

If you love golf and you are interested in the history of St Andrews and The Open this is the book for you

No problems at all. Great Service.

100%

Wonderfully told story about the history of golf. A must read for anyone with a love of the game and it's history.

Received as described. my brother like it , the best product, high quality and low price . Super product, great handle. Ordering another! arrive on time,
