Lizzie Williams is a freelance travel writer based in Cape Town. Originally from London she was first introduced to Africa 15 years ago on an overland truck trip across the continent, and as a result became a tour leader for five years. Now a full-time author, she's written more than 20 guide books to countries in Africa and the Middle East, regularly contributes to travel magazines, and has written destination content for several websites including Kenya and Tanzania for Frommer's. When not on the road she enjoys the fabulousness of the 'Mother City' and is constantly reminded what a beautiful place it is to live.

First I want to say that this book was helpful as it gave an idea of what I wanted to see while I was in Cape Town. My biggest issue with it was that it wasn't always accurate when it came to times. The Water Front market was shown as staying open until 9 pm but it was only open until 6 pm. Most shops close at 6 pm. This was a bit frustrating when we wanted to go shopping after work and found everything was closed. The restaurant portion of this book was great. We used it a lot to help us decide what to do in the evening for dinner. All in all this book is useful when traveling to Cape Town. Make sure you check with the locals for market times and other sights as they may have changed since the print time of this book.

This book has some unique features that other books don't have, but I really liked. One is the walking tours around town. You can really just follow along and see the best sights! The other is their "best bets" sections, which had fun titles like "Best Impressing your Date" (restaurant) or "Best Pampering Goodies" (shopping). As a tour operator for Adventures Within Reach, I recommend this book as a take along for my clients going to Cape Town, but I recommend other books for doing research ahead of time.

Great guide

On my recent trip to Cape Town this book was excellent. It is nicely organized and just the right size. The maps in this book are very helpful. There were also some nice recommendations for places to visit that I didn't find in other larger travel guides. I highly recommend this book.

Good information, but a bit outdated as the copyright is 2010. We do enjoy this series of travel guides. Happy travels

I have just arrived back in New York City after having been home in South Africa filming on-site 'clips' for my video series 'Another Country Through My Eyes' which assists with promoting and selling of tourism to South Africa. My film crew and I visited Cape Town, Kapama Luxury Private Game Reserve, and Johannesburg for on-site 'clips' . . . and despite the fact that I have lived in Cape Town and revisited the city more times than I can recall, this Frommer's Cape Town - day by day - 17 Smart Ways to See the City by Lizzie Williams, was the 'smartest' pre-departure purchase I have made. I knew what I wanted to capture for ANOTHER COUNTRY THROUGH MY EYES - this guidebook elevated my performance on camera. But then, in my opinion, everything published by Frommer's is a winner! If you're heading to Cape Town, buy this guidebook - it is concise, frank, well written and will enable you to see the very best of everything that Cape Town has to offer. As the Founder & President of my own company, 2AFRIKA, INC. located in New York City, I intend providing every Cape Town bound passenger with this very useful tool before they leave. Well done Frommer's . . . you never disappoint! Kenneth Hieber Frommer's Cape Town Day by Day (Frommer's Day by Day - Pocket)

fine. awesome and very well. Very well. Great product! Cuts vegetables like butter. i have bought one before,

this book was helpful but It wasnt as helpful as I would have hoped. There is a lot in the area and I dont thin the book covered all of it, transportation and I would have liked if it has some information regarding side trips from cape town for people staying a longer time.
