Customer Reviews

First, the book was free to download - love that! Gave me some great ideas on ingredients to try. If you haven't tried making lotion bars, it's super easy and fast. Book recommends double boiler but I've used a mason jar with lid in pan of water then use a hot pad to pick it up and shake to mix. No mess!

Some really good and easy to make recipes. I will be making these this weekend to use and give as

gifts. I wonder what the shelf life is.

Very good book

Great little book with lots of recipes for lotion bars. I love the variety of recipes, and the attention to detail. The recipes are easy to follow, and laid out in an easy to understand manner. I would recommend "10 Easy Homemade Organic Lotion Bars" by Diann Bright.

I will be making a few of these lotion bar recipes. I like that this book gives me an idea of what or where to start.

This book was easy to read. Easy to follow instructions. Well written and many very appealing recipes. Easy measurements and common ingredients is a plus

Lots of great recipes. I am excited to start making these.
