# Bobby Flay's Barbecue Addiction

## Synopsis

The man who got America fired up about grilling now extends his serious outdoor skills to low and slow barbecue and the intoxicating flavors of wood smoke. You've always known the best grilling recipes come from chef-restaurateur and Food Network star Bobby Flay. Now, just as on his Emmy award-winning show of the same name, Bobby turns his attention to true barbecue in Bobby Flay's Barbecue Addiction. With this book you get the best of both worlds and can decide whether to barbecue Tuscan Rosemary Smoked Whole Chickens or quickly grill some Pimiento Cheese-Bacon Burgers, depending upon your craving. Here is everything you need for a great backyard bash: pitchers of cold drinks, such as Sparkling Bourbon Lemonade, and platters of starters to share, like Grilled Shrimp Skewers with Cilantro-Mint Chutney, and inventive sides, including New Potato-Corn Chowder Salad. You'll also find tons of helpful information on the pros and cons of different cookers, fuels, woods, and grilling gear; how to light and tend a fire; how to tell when your steaks are done; as well as Bobby's top ten tips for the perfect cookout. With 150 recipes and 100 color photographs, Bobby Flay's Barbecue Addiction is the new outdoor cooking manifesto for fellow worshippers of smoke, fire, and good times.

Excellent cookbook in typical Bobby Flay fashion. Lots of creativity, as expected. I've made several dishes with much success! I'll have his whole collection soon. If you live in the West, try his Mesa Grill restaurant in Vegas. Outstanding!

I still mourn that this show is no longer on during my early morning gym time. Much more interesting, and healthier, recipes than The Pioneer Woman show that took its place. If only I could afford to have all those different grilling setups; however, Bobby kindly suggests ways to create the same effects with whatever setup you do have.

I am a new BBQ Grill owner, and this is a great starter book. Recommended by my former boss, who is an avid Grill Master.

Purchased for my Father. He loves it!

Anything by Bobby Flay is going to be great, but you have to like "heat" in your food, which I don't but my husband loves it. ...

Lots of helpful tips for BBQ. Great recipes too. Well worth owning if you own a grill of any kind.

Great recipes, easy to follow instructions for great results.

Very interesting can not wait to try some of the recipes
